**Disclaimer:** The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States and, unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws. Accordingly, the Equity Shares are only being offered and sold (i) within the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A) pursuant to Section 4(a) of the U.S. Securities Act, and (ii) outside the United States in “offshore transactions” in compliance with Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.

### RISKS IN RELATION TO THE FIRST OFFER

The face value of the Equity Shares is ₹ 10 each. The Floor Price, Cap Price and Offer Price (determined by our Company in consultation with the BRLMs and on the basis of the assessment of market demand for the Equity Shares of face value of ₹ 10 each by way of the Book Building Process, as stated under “Basis for Offer Price” on page 179 of the RHP), should not be taken to be indicative of the market price of the Equity Shares of face value of ₹ 10 each after the Equity Shares of face value of ₹ 10 each are listed. No assurance can be given regarding an active or sustained trading in the Equity Shares of face value of ₹ 10 each of our Company, or regarding the price at which the Equity Shares of face value of ₹ 10 each will be traded after listing.

### GENERAL RISK

Investments in equity and equity-related securities involve a degree of risk and investors should not invest any funds in the Offer unless they can afford to take the risk of losing their entire investment. Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, investors must rely on their own examination of our Company and the Offer, including the risks involved. The Equity Shares of face value of ₹ 10 each in the Offer have not been recommended or approved by the Securities and Exchange Board of India (“SEBI”), nor does SEBI guarantee the accuracy or adequacy of the contents of the Red Herring Prospectus. Specific attention of the investors is invited to “Risk Factors” on page 39 of the RHP.

### OUR BUSINESS OVERVIEW AND STRATEGY

**Company Overview:** We are the flagship infrastructure engineering and construction company of the Shapoorji Pallonji group (i.e., the group’s leading engineering and construction company). We have a strong track record of executing numerous technologically complex engineering, procurement and construction (“EPC”) projects both within India and internationally. According to the Fitch Report, we are one of India’s largest international infrastructure construction companies, as per the 2023 ENR (Engineering News-Record, US) Top International Contractors rankings, based on International Revenue for the Financial Year 2023. In the last eleven financial years and the three-month period ended June 30, 2024, we have successfully completed 79 projects across 17 countries with a total historic executed contract value of ₹563.05 billion. We typically bid for projects through a competitive bidding process. Our customer contracts typically fall into the following categories –EPC contracts, item rate contracts and cost plus contracts, contracts, item rate EPC contracts and cost plus contracts contributed to 72.37%, 27.38% and 0.25%, respectively, of our total construction contract revenue for the Financial Year 2024.

For further information, see “Industry Overview” on page 218 of the Red Herring Prospectus.

**Service Offering and industries served:** We are the flagship infrastructure, engineering and construction company of the Shapoorji Pallonji group (i.e., the group’s leading engineering and construction company), a diversified Indian conglomerate, and have a legacy of over six decades. We have a strong track record of executing numerous complex, challenging and unique engineering, procurement and construction projects both within India and internationally. As of June 30, 2024, we have 65 active projects (i.e., ongoing projects) across 12 countries, aggregating to an order book of ₹317.47 billion. For further information, see “Our Business” on page 282 of the Red Herring Prospectus.

Notes:

- Basic EPS (₹) = Basic earnings per share are calculated by dividing the net restated profit or loss for the year/period attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year/period.
- Diluted EPS (₹) = Diluted earnings per share are calculated by dividing the net restated profit or loss for the year/period attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year/period as adjusted for the effects of all dilutive potential Equity Shares outstanding during the year/period.
- EBITDA is calculated as Profit before exceptional items and tax (PBIT) + Depreciation and amortization + Interest on borrowing component of finance cost. Other component of finance cost like Bank charges and commission, redemption premium on borrowing etc. is not added back while arriving at the EBITDA from the PBIT.
- Net worth is total equity attributable to owners of the company less capital reserves, capital redemption reserves and reserves for equity instruments through other comprehensive income.
- Return on Net Worth (%) = Net Profit for the period/year attributable to owners of the parent, as restated / Restated net worth at the end of the period / year.
- Net Asset Value per Equity Share = Net worth as per the Restated Consolidated Financial Information / weighted average number of Equity Shares outstanding (Including Shares deemed to be issued for no consideration in respect of Convertible preference shares) as at the end of the respective period / year.

For further details, see "Restated Consolidated Financial Information" on page 408 of the RHP.

### INTERNAL RISK FACTORS

Below mentioned risks are the top 5 risk factors as per the RHP:

- If we fail to qualify for, or win new contracts from project owners, our business, financial condition, results of operations, prospects and cash flows could be adversely affected.
- Our business significantly depends on projects awarded by government or government-owned customers, which subjects us to a variety of risks. Such projects contributed to 69.80% of our Order Book as of June 30, 2024.
- Our business is capital intensive. If we experience insufficient cash flows or are unable to access suitable financing to meet working capital requirements and loan repayment obligations, our business, financial condition and results of operations could be adversely affected.
- We may not be able to collect receivables due from our customers, in a timely manner, or at all, which may adversely affect our business, financial condition, results of operations and cash flows. As of June 30, 2024, our total trade receivables (including interest on arbitration awards) amounted to ₹39,746.10 million.
- If any of our projects are terminated prematurely, we may not receive payments due to us, which could adversely affect our business, financial condition and results of operation.

For further details, see "Risk Factors" on page 39 of the RHP.
